A FAD that’s here to stay:

When I was a kid, we would stop at ALCO in West Point from time to time. Inevitably, my sisters and I would always ask for things that we HAD to have. We couldn’t live without them because seemingly everyone else had them so we needed them as well. One of these items I remember being vitally important to get was a slap bracelet. This is a bracelet that is straight like a doctor’s tongue depressor. However, these slap bracelets had fancy designs and would wrap around your wrist when you hit it against your arm. Obviously, cool and difficult for any kid to live without.

Eventually, my mother told us that we could each get a slap bracelet if we had our rooms clean, vacuumed the living room, and did the dishes. As you can tell, we are not above bribing and we eventually did enough to get that coveted fancy bracelet.

The FAD I am referring to in the title of this article is a way to highlight the core values we hope families embrace and help us promote at Bishop Neumann. FAD stands for Faith, Academics, and Discipline. These are traits that we will try to instill in our entire community. We will continue to offer numerous opportunities to strengthen their faith, develop academically at a high level, and foster an environment illustrating the importance of discipline in a person’s life.

The rank of importance of these three areas may vary for each of the families that send their children to Neumann. Highlighting these three areas of focus does not mean we will be perfect. The reality is, we have 290 students coming in and out of school on a regular basis. We have days where we are not at our best. It is in these moments, when we realize that we have fallen short and let other priorities push into the top areas of focus that we will step back and use the FAD idea to bring us back to the priorities that will make us great when applied correctly.

Fads like the slap bracelet come and go. Spinners were a hot item last year and I saw a slap bracelet near the checkout stand when I was getting groceries with my son Leo. He asked what they were so I slapped it on his wrist. Naturally, he wants one because they are so cool. However, he will not be getting one anytime soon. That is, unless we really need him to be good at a wedding or special event!

In the end, we will continue promoting our FAD that is here to stay. We will provide students with opportunities to grow in faith, expand their knowledge, and become a more disciplined person. In the coming months, we will expand on each letter of FAD. Thank you for your continued support of Catholic Education and Bishop Neumann.

Sincerely,

John Kreikemeier
ASBESTOS NOTIFICATION

Federally mandated asbestos inspections of Neumann High School, Wahoo, have been conducted in 1988, 1991, 1994 and 1997. Asbestos management plans have been written for the school, and may be reviewed by interested parties at the school office during regular business hours.

Asbestos has been found through testing or is assumed to be in the following material: fireproof doors, ceiling finish, pipe insulation and floor tile. This material is in good condition and poses no health concern for our students or staff.

Asbestos removal projects were conducted in 1993 and 1998. By following the school’s asbestos management plan, we will continue to protect the health of our children and comply with federal and state asbestos regulations.

The asbestos program manager for the Diocese of Lincoln is: Fr. Thomas Maclean, P.O. Box 80328, Lincoln, NE 68501.

Important Weapons Notice

Students are not allowed to have on their possession any weapon on school grounds, in a school vehicle, or at a school sponsored activity or event. (See pages 22-24 of the school handbook.) This includes having a weapon in a car parked on school grounds. (A firearm on school property has a minimum consequence of one year suspension from school, as required by state law.)

If you or your son/daughter is a hunter, you should be absolutely certain that no weapons are in the vehicles that your son/daughter brings to school or to a school activity.

PROGRESS REPORTS WILL BE HANDED OUT AT PARENT—TEACHER CONFERENCES ON WEDNESDAY, SEPTEMBER 20TH AND WEDNESDAY, SEPTEMBER 27TH. ALL REMAINING WILL BE MAILED OUT AFTER THAT DATE.

Administrative Notes

Parents with questions or concerns about any activity should feel free to contact the appropriate personnel starting with the teacher, coach, or moderator. With additional activities, communication is vitally important. The staff of Neumann wants to do their best to try and communicate with the parents and students, so all decisions and activities concerning student life are made with input from the community.

Please include your name in all correspondence. All correspondence to teachers and administrators that is anonymous is not read.
The Senior High Band will be marching at four Marching Contests this fall:

- Oct. 7th: Bennington Marching Contest - 11:30 a.m.
- Oct. 14th: LPS Marching Invitational at Seacrest Field - 11:30 a.m.
- Oct. 21st: Oxbow Marching Contest in Ashland - 6:12 p.m.
- Oct. 21st: NSBA Marching Contest at Seacrest Field - 2:45 p.m.

I hope many of the parents and friends will be able to join us at the contests.

Thank you to the Music Boosters parents who attended the meeting on Sept. 6th. The door prize was not won, so the drawing at the meeting on November 13th will be for $300.00. All the parents of band students in grades 5-12 or vocal music students in grades 7-12 have their names in the drawing, but you must be present to win. Please try to come to the meetings – we need everyone’s ideas and help.

One of the major discussions of the evening was having the SignUpGenius website for help at Volleyball concessions and Christmas Concerts. All Music Parents are asked to log on and fill one of the spots – there are about 5 slots still unfilled, including one next Tuesday Sept. 26th for concessions. The final shift of the evening is usually done well before 9:00 p.m. – that is just the latest time it has ever gone. Please consider helping us out. Thank You.
Dear parents,

The Diocese of Lincoln implemented a new Safe Environment Training Program. This training program is designed to help protect our students by instructing school staff and volunteers regarding child abuse.

Included in this month’s Plume is a page providing instructions for accessing the “Safe Environment” of the Diocese of Lincoln. While every school parent is encouraged to view this website, **if you are expecting to volunteer for fieldtrips or to serve our school in other activities, you will be required to go through the training process. This includes a background check and completing the “Safe Environment Training” course, even if you have previously viewed the video “Somebody Told”**.

If you have already gone through this process with one of the other Catholic Schools of our Diocese, you do not have to go through it again. If you do not have access to a computer, we will be able to assist you in completing this course here at school. After completing the course, you are given the option to email a notification to the school that you have completed the course. You may use my address for this email notification: John-Kreikemeier@cdolinc.net.

If you have any questions about “Safe Environment Training” please let me know.

John Kreikemeier
High School Auditions for this year’s play production one-act *Radium Girls* by D.W. Gregory will be Monday October 2\textsuperscript{nd} from 6-9 pm.

*Radium Girls* is a work of historical fiction based on events that occurred in and around Orange, N.J. between 1918 and 1928. This powerful drama tells the story of Grace Fryer and her chief adversary, Arthur Roeder, who are faced with the terrifying rash of illnesses at the local factory. Mark your calendars for Tuesday November 14\textsuperscript{th} at 7:00 pm. You don’t want to miss this award winning drama.

---

### A new young men’s group forming “Men of JP2”

Bishop Neumann has formed a new young men’s group named “Men of JP2”. This group is meant to focus on developing a good relationship with Jesus Christ under the intercession of Pope St. John Paul II as well as St. Joseph and other male saints. The group will focus on developing good prayer habits, good leadership skills, and what it takes to be good Catholic man in today’s world. The group is offered for sophomore, junior, and senior men and meets everything other Friday morning during access period. Mr. Nathan Roche and Fr. Rowan are the moderators.

### St. Elizabeth Ann Seton Society

Members of the Elizabeth Ann Seton Groups are starting the year with a renewal of their mission to pray and foster religious vocations. Members are expected to be dedicated to Sunday Mass, private and communal prayer, service, leadership, modesty, temperance, and supportive to others in their spiritual struggles. The group meet weekly at school and monthly for a group activity. In the past, the groups have led morning prayers, provided assistance for all school Masses, participated in Life issues, and traveled to various pilgrimage sites in the dioceses.

Along with the other things mentioned above, the Elizabeth Ann Society is involved in service activities such as serving as teacher aides at St. Wenceslaus and St. John’s, Weston, providing favors for the elderly and assisting those less fortunate than ourselves throughout the school year.
Keeping Track of Your School Lunch Account with myschoolbucks.com

Wonder what your school lunch account balance is? Want to know what your children are eating? Or where all your money is going? Take time to enroll online with myschoolbucks.com. This allows you to view account balances and meal purchases, schedule automatic payments, or make payments anytime, anywhere from their mobile app or online.

Enrolling is easy.

- Go to www.myschoolbucks.com and click Sign Up Today.
- Create an account for yourself and your children. You will need your student’s 8-digit ID number (contact your school’s office for this information.) You’ll also need date of birth, school (Bishop Neumann), and grade.
- Once your account is created, remember to sign up for Email Notification. It will automatically send an email reminder when your account is low.

Even if you don’t want to make deposits online, it is an easy way to keep track of your child’s lunch account.

Students with a negative lunch account balance will no longer be allowed to charge extra items to their account. Once the account has a positive balance, they may resume purchasing extra items.

| High School Lunch cost | $ 3.00 | Grade School Lunch cost | $ 2.85 | Milk | $ .50 |

Thank you

Jennifer Benes

---

If you are absent from class, how do you get your homework?

On page 16 of the Student Handbook it states: “If a student misses a class session for any reason, the student is responsible for consulting the teacher that day and making up the necessary work.”

This means that when they are gone due to illness or for any other reason, **IT IS THE STUDENT’S RESPONSIBILITY** to get their homework and missing assignments. To assist them, forms are available in the office that they can pick up upon their return to school. The teachers or the office cannot take on the responsibility of gathering their homework when they are absent. **If the student was unexpectedly ill the teachers will allow them time to make up their work when they return because they were ill.**

---

Telephone/Personal Electronic Device Policy (Handbook page 29)

- A public telephone for student use is located in the lower hall. During the course of the day, permission must be given to use the public telephone. Before and after school hours, it can be used without permission.
- The office telephone is a business phone for use by the administration, faculty, and staff only. (Messages for students will be taken by the office staff, and students will be notified.)
- **Cell phones** must be turned off and remain out of sight during the school hours: 8:18 a.m. to 3:30 p.m. and cannot be used between classes and during lunch. Students are permitted to use their cell phone in the office if an emergency arises. during the lunch periods and at the end of the day.

---

Thanks

For all those that have helped in anyway to start the school year out. Your time, talent and support is very generous. Please accept our sincere thanks.

It is hard to imagine how we could possibly run the school without our volunteers that seems to always come through with dedication and enthusiasm. The list of those that help seems to be endless. All of you are included in our prayers for all your efforts.

*Administration, Faculty and Staff*
Apply to College Events at Bishop Neumann
Bishop Neumann recently held several events designed to help seniors, as well as all students further their post-graduate plans. On Monday, Sept. 18th we once again hosted the Catholic College Fair in the gym over the lunch hour. Students in 7th through 12th grades were encouraged to visit with the admission reps from over 19 Midwestern Catholic colleges.

Not only were students given pamphlets containing valuable information from the various colleges, they were asked to gather specific information about each college for a chance to win prizes from the Guidance Office. Drawings will continue through the end of the month. Several younger students expressed that they hadn’t even thought about college yet. We need to encourage our students to explore the possibilities throughout their high school years. Sites like EducationQuest have links to numerous colleges that students can explore.

Seniors were invited to the computer lab during Access period so they could apply to any college of their choice. On Monday we focused on the University of Nebraska system; Tuesday we applied to any of the three State Colleges; and Wednesday was open for any college, anywhere! If any senior was unable to use this time, they are more than welcome to stop by Mrs. Chvatal’s office to set up an appointment to work on their applications.

On Monday, Sept. 25th, representatives from EducationQuest will visit with all of the seniors and their parents to discuss the Financial Aid Process. Students will be given information about the FAFSA, grants, student loans, scholarships, and general advice on paying for college. EducationQuest is a valuable resource for our students in Nebraska!

Dr. Mark & Joni Adler visit Bishop Neumann
On Wednesday, Sept. 27th, students will attend an assembly presented by the Adler’s. Mark and Joni will discuss their journey of loss of their son Reid, who took his own life in January of 2016. Reid was a victim of intimidation and cyberbullying that his parents knew nothing about until his passing. Mark and Joni will challenge students to stand up for each other, to focus on using courage to lead, and spreading kindness.

The Adler’s visit coincides with Suicide Awareness Month. Last spring, Mrs. Chvatal trained 7th–12th grades in the QPR Gatekeeper training for suicide prevention. This year, incoming 7th graders and seniors will be trained. Bishop Neumann, St. Wenceslaus, and St. John faculty and staff were also trained in August at an in-service in this same program. Three simple steps are taught: Question, Persuade, and Refer. Research proves that a person in danger of harming themselves is less likely to act if they find one person who is willing to ask them if they are ok or need help. We need students to understand this is one secret we don’t keep, to reach out to an adult for help, and to continue to walk with others as they gain access to that help.

There are numerous mental health resources to help a person who may be experiencing suicidal thoughts. The National Suicide Prevention Lifeline (800-273-TALK) has trained counselors available 24 hours a day, 7 days a week. Research has shown that asking a question can lead to hope and when hope is offered to someone in danger of harming themselves, they are statistically less likely to harm themselves. If you know of a group or organization that would benefit from QPR Gatekeeper training, please contact Mrs. Chvatal for more information.

Student Resumes on EducationQuest
All students at Bishop Neumann have access to a valuable resource at EducationQuest. Students are encouraged their freshmen year to begin recording all of their activities, accomplishments, and various service activities using their Activities Resume tool. As I met with a senior this week, he shared that he had completed his resume using this site. His words, “That was so helpful. I’ve used it a couple of times already. I think it’ll be really helpful when I start applying for scholarships.” I asked him when he did it and he shared that he had waited until last spring to begin it. His words, “It was kinda hard to remember everything I did in high school.” We chuckled because I might have said, “I told you so…”

Students are able to use this tool each year. It’s a great way to keep track of what they are accomplishing and experiencing throughout high school. As the student shared above, it is difficult to remember everything they have done or earned. If they choose to update it each year or semester, it will make their life easier when it comes to applying to colleges and completing scholarship applications their senior year. Any student who needs help setting this up is more than welcome to see me for help.

John Baylor Prep changes name to On To College with John Baylor
The ACT online prep formerly known to students as John Baylor Prep went through a complete revamping this summer. It is now known as On To College with John Baylor. All 9th through 12th grade students have online access to these ACT prep courses through Bishop Neumann. They simply need to stop by Mrs. Chvatal’s office, sign up with an email address, and be given a password to log onto the site.

Students are generally encouraged to take the ACT beginning their junior year. Research shows that students who take the higher level courses in core subjects (Math, English, Science, & Social Studies) are more likely to score higher on the ACT. Juniors are generally reaching these higher level courses. Occasionally students who take the ACT in the early high school years do not score as high as they’d like. This might lead to a concern that they are not able to earn a score that would set them up for success in college. Keeping their scores in perspective, based on their level of academic progress is important.

Continued
Several students have shared that they often took their first ACT test with no preparation. They wanted to just go in “cold” and see how they’d do on it without studying. Rather than paying the ACT organization $46 to “practice”, why not use the numerous practice tests and quizzes offered at the On To College site? We also have several other ACT prep sites listed on our Guidance page on the Bishop Neumann website. We offer practice tests in paper format in the Guidance office too. I joke with the students I’d rather save my $46 for pizza and a pedicure than a 4 hour ACT test!

The ACT is given each year in the months of September, October, December, February, April, and June. This year they have included a new test date for July 14, 2018. Many students hope to take the test numerous times to increase their scores. Taking the test multiple times does not ensure a higher score. A student must study and prep for the test if they want to obtain a higher score. I’m happy to visit with students on an individual basis to offer advice and support on how to improve their scores.

**Guidance updates and valuable information found on Bishop Neumann website**

Have you checked out the Guidance tab on the Bishop Neumann website? I try to post opportunities that you might find in the daily bulletin on the main Guidance page. Sometimes there is more information on this page than I am able to fit in the daily bulletin. Additionally, there are links to what I hope is valuable information for parents and students as they journey through high school.

Tabs for Career Planning, College Selection and Student Timelines may provide information on things to consider when trying to decide on where a student wants to attend college, ept or what to major in to help them gain access to a particular career. A valuable tab would definitely be the Scholarship/Financial Aid one! Each year I post the master list of scholarships that come across my desk. I also include links to applications and websites for scholarships. It enables students to work on these applications and search for scholarships on snow days, weekends, and even Holy Days!

So take a little time, check out the Bishop Neumann website and the Guidance section as well. Explore the entire site and see what helpful information you may find!

**Reminder! Please join us in the defense of the unborn by standing in the LIFE CHAIN October 1\textsuperscript{st} from 2:00-3:00 p.m. Meet at the corner of 12\textsuperscript{th} and Beech in Wahoo.**
September 22, 2017

Dear Parents,

We have been running the new bus routes for approximately five weeks since school began in August. After visiting with the drivers, we believe that a couple of small changes should be made to make all routes run smoother. These changes will begin on Monday, October 2, 2017.

John Benal (bus #09) will be adding students who live in Heritage Heights and Continental Estates (the old Short Route) to his morning and afternoon route. This will cause a small adjustment in time. Parents are asked to contact John at (402) 443-7260 for exact times.

Tom Rustermeier & Arnie Pospisil (bus #11) will be adding students who are picked up or dropped off along Broadway, 15th Street, The Ridge development and Sutton Estates (the old North Route). In the morning, Tom Rustermeier will pick up the Longnecker children at the Presbyterian Church at approximately 7:32-7:35 AM. In the afternoon, Arnie Pospisil will make drop offs as they are now.

These changes will enable the Agnew route driver to arrive at St. John’s in a timelier manner.

I want to thank you for cooperation as we work to make our new routes run better.

Sincerely,

Paul Johnson

(Please review the Bus Rules on the next page with your students.)
Dear Parents: We have been enjoying your children on Neumann’s buses. Our goal is to provide safe transportation to and from school for every student who rides a bus. Below are the rules for riding Bishop Neumann’s buses. Please take the time to read them with your student(s). Also please stress the importance of sitting in seats when the bus is in motion and leaving other students and their belongings alone while on the bus. They should treat the bus ride as they would traveling in your personal vehicle. Please feel free to contact me at Neumann (402) 443-4151 if you have any bussing concerns or issues.

Thank you Mr. Paul Johnson, Bus Coordinator

Bus Rules (taken from Neumann Handbook)

**Bus Service**

Students riding the school bus are under the authority of the superintendent, principal, teachers or bus drivers and sponsors while they are on the bus whether during the regular bus runs or for school-related activities. Misconduct may result in denial of the bus riding privileges.

**School Bus Safety Rules**

**Previous to Loading:**
1. Be at the designated school bus stops 5 minutes prior to the scheduled stop.
2. Stay off the road at all times while waiting for the bus. Bus riders are to conduct themselves in a safe manner while waiting.
3. Do not move toward the bus at the school loading zone until the buses have been brought to a complete stop.
4. Wait until the bus comes to a complete stop before attempting to enter the bus.

**While on the Bus:**
1. Keep hands and head inside the bus at all times after entering and until leaving the bus.
2. Assist in keeping the bus safe and sanitary at all times.
3. **Remember that loud talking and laughing and unnecessary confusion diverts the driver's attention.**
4. Treat bus equipment as you would valuable furniture in your own home.
5. Never tamper with the bus or any of its equipment.
6. Do not leave books, lunches or other articles on the bus. No bottles of any kind are to be taken on the bus. No open beverage cans may be carried onto the bus or consumed while on the bus.
7. Keep books, packages, coats and all other objects out of the aisles.
8. Remain in the bus in case of a road emergency, unless directed by the driver to do otherwise.
9. Do not throw anything out of the bus window.
10. **Remain in your seats while the bus is in motion.**
11. Be courteous to fellow students and the bus driver. **No rough-housing. Leave your hands to yourself.**
12. Keep absolutely quiet when approaching a railroad crossing stop.
13. Parents will be notified if there is continuous misconduct on the bus. Bus riders may be denied the privilege of riding.
14. While on the bus, you are in the driver's charge and must therefore obey the driver promptly and respectfully.
15. Inform the driver, if possible, when a rider will be absent.
16. Students who damage the interior or exterior of the bus will pay for the repairs.

**After leaving the Bus:**
1. Cross the road, when necessary, after getting off the bus at least twelve feet in front of the bus. Stop, look at bus driver who will motion student and thus let them know it is safe to cross.
2. Help look after the safety and comfort of small children.
3. Be alert to the danger signal from driver.
4. Do not leave the bus at other places than the regular bus stop unless proper authorization has been given in advance by the parent and school officials.
Be a Neumann Intercessor!

This is an opportunity for parents, grandparents and others in the community to support Bishop Neumann through your prayers! Our sole purpose is to pray for the well-being, safety and spiritual growth of the Bishop Neumann Students, Faculty and Staff. There are a couple of ways you can be an Intercessor.

1. Commit to daily prayer and/or sacrifice for Neumann Students, Faculty and Staff. This can be as little as one “Hail Mary” or giving up one treat or as broad as a daily Rosary or eliminating some vice from your life. Whatever you decide to do, it will be between you and God, and he will bless our school for your actions.

2. Spend 1/2 hour in adoration in the Bishop Neumann Chapel. On the first Friday of each month there will be exposition in the Chapel. We will need to have 2 people praying at all times. The dates for adoration are listed below. A few days prior to the adoration date, we’ll send out an email asking the Intercessors to sign up for a half hour in the Chapel. You are welcome to sign up for more than one slot to allow you to spend more time with Jesus and to help us fill the schedule. You don’t have to commit to sign up every month, but try to make it as much as your schedule allows.
