

**Saunders Catholic Elementary Schools**

As part of Saunders Catholic Schools, Bishop Neumann High School and our two grade schools, St. Wenceslaus and St. John Nepomucene, offer an excellent academic and spiritual environment for all children to reach their full potential. In addition to rigorous academics, we strive to instill Catholic values, self-discipline and faith in every class and activity, reinforcing what our families seek in their home, community, and church. Our faculty and staff help to foster a sense of achievement, mutual respect, self-esteem, social responsibility, and safety within the schools. We encourage all students and families to visit and tour our schools!
